## Annual Poppy Day Set For Tomorrow

"Honor the war dead and aid the wars' living victims," will be the theme of the annual observance of Poppy Day here tomorrow. Every person in Torrance will be asked to wear a memorial poppy tomorrow and to make a contribution for the welfare of the disabled veterans, their families and the families of the dead.

Preparations for Poppy Day were being completed today by a large committee of American Legion Auxiliary women, headed by Mrs. Edwina Pippitt, poppy chairman. Volunteer workers from the Auxiliary and cooperating groups will be on the streets at an early hour tomorrow distributing the poppies and receiving contributions.

"Although the second World War is slipping rapidly into the past, we believe that the memory of the young men who gave their lives in that conflict is still fresh in the minds and hearts of all of us," said Mrs. Pippitt. "The dead of the first World War have been gone for 29 years, yet we remember their service and sacrifice. The poppies which we will put on tomorrow will show that we have not forgotten and are grateful for their defense of our country."

"We must not forget, either, those whose lives in suffering and hardship because of war wounds and illness, the disabled veterans, or their children and the children of those who have died. The contributions we make for the poppies go for their welfare, for help which can come to them only through this means."

The poppies to be distributed here have been made by disabled veterans at Sawtelle. Auxiliary workers will all be unpaid volunteers, permitting the full amount of all contributions to go into the Auxiliary's rehabilitation and child welfare work.
